LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The U.S. Patent and Trademark Office is hereby advised that the Terminal Disclaimer submitted in the present application on September 21, 2007 contained a typographical error in the listing of the prior patent No.

In view of this error, Applicants request that the Terminal Disclaimer filed on September 21, 2007 be expunged from the file record and be replaced with the Terminal Disclaimer attached hereto, which correctly recites the prior patent No. as: **6,727,409**.

As the above-mentioned change merely corrects a typographical and/or clerical error in the application papers, it is requested that as a result of the filing of this Letter and a Terminal Disclaimer that the Application Division correct its records and the file wrapper to correctly reflect the number of the prior patent Number.

The required fee for the Terminal Disclaimer was previously paid on September 21, 2007. Therefore, no additional fees are due.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

If the Examiner has any questions concerning this application, the Examiner is requested to contact MaryAnne Armstrong, Ph.D., Reg. No. 40,069 at the telephone number of (703) 205-8000.

Dated: **NOV 20 2007**

Respectfully submitted,
